THESE GREAT DOUXO® PRODUCTS ARE ALSO STILL AVAILABLE:

DOUXO® Calm Gel 60 mL (2 oz) • DOUXO® Calm Micro-Emulsion Spray 200 mL (6.8 oz) • DOUXO® Chlorhexidine Micro-Emulsion Spray 200 mL (6.8 oz)
DOUXO® Micellar Solution 125 mL (4.2 oz) and 250 mL (8.4 oz)

Chlorhexidine can cause rare, but serious allergic reactions in humans. If you experience allergy symptoms, discontinue use immediately and seek medical treatment. Do not use DOUXO® S3 PYO Mousse in cats. Do not use DOUXO® S3 PYO Pads between the toes of cats.

OPHYTRIUM™

a key ingredient of DOUXO® S3

OPHYTRIUM™ is a purified, natural ingredient selected for its maximized tolerance and simultaneous action on all three skin barriers.

The three skin barriers:

Physical skin barrier

(keeps allergens, germs and parasites out, and water in)

Microbiological skin barrier or microbiota

(a complex mixture of microorganisms that protect skin from the invasion of pathogens)

- Helps support the skin's physical barrier for supple, hydrated skin
- Helps rebalance the microbial flora for healthy skin
- Helps reduce irritation to soothe skin

Immunological skin barrier

(reacts to anything that gets through the first lines of defense)

All formulations designed for client satisfaction

Maximized tolerance

Soap, nanoparticle, sulphate, paraben, phthalate, colorant

FREE

Hypoallergenic fragrance

Adjusted pH for promoting a rich and diverse microbiota

Maximum delight

Coconut+vanilla fragrance

Smooth, creamy texture

Detangling, soft and shiny coat
