

IMECTRO®

Chew

(ivermectin/pyrantel pamoate/
praziquantel)

**Your dog is counting on you!
Protect them year-round against
parasites you can't always see.**

IMECTRO® is a monthly chew for dogs to prevent heartworm disease and to treat and control roundworms, hookworms and tapeworms.

Ask your veterinarian about IMECTRO[®] Chew for dogs

50.1 - 100 LBS.

25.1 - 50 LBS.

12.1 - 25 LBS.

6 - 12 LBS.

Effective

Easy to give once-a-month bacon flavored chew to help keep them protected.

Affordable

After all, cost shouldn't be a barrier to protection.

Trusted

Veterinarians have trusted ivermectin, pyrantel pamoate and praziquantel for over 35 years.
