

Storm Safety Checklist

Everything You Need to Keep Your Dog Calm, Safe, and Comforted During Thunderstorms

✓ Create a Safe Space

Set up a quiet, cozy area indoors, away from windows and loud noises.

✓ Use Gentle, Constant Pressure

Provide your dog with calming wrap to help them feel secure—ThunderShirt® is one option.

✓ Provide Distractions

Give your dog a favorite toy or engage them in gentle play to redirect their focus away from the storm.

✓ Mimic Natural Calming Signals

Surround your dog with pheromone-based products that ease stress—ThunderEase® Calming Diffuser Kit, Collar, and Spray are simple ways to try this.

✓ Stay Calm Yourself

Dogs often take emotional cues from their humans. Remain calm and speak in a soothing voice to help reassure your dog during storms.

✓ Support Relaxation with Chews

Support your dog with calming supplements that promote relaxation during stressful events—ThunderWunders® Calming Chews are a great example.

✓ Plan Ahead

Keep an eye on changing weather patterns and have calming solutions ready before storms hit!
