

# Healthy skin is possible with DOUXoS<sup>3</sup>

## Shampoo

**Use 1 pump for every 4 pounds**

Double the dosage for long and/or thick fur.

- 1 Use cool water to wet your pet's fur from the neck down.
- 2 Place shampoo in your hands and gently massage on the problem areas. Repeat on entire body.
- 3 Leave on for 5-10 minutes, then rinse with cool water until the water runs clear.

## Mousse

**Use 1 pump per 2 pounds** Cats or Dogs ≤ 13 lbs

**Use 1 pump per 4 pounds** Dogs > 13 lbs

*Do not use DOUXO<sup>®</sup> S3 PYO Mousse on cats.*

### For localized application:

Dispense 1-2 pumps in your hand and then apply product to the targeted area, massaging into the skin until it fully penetrates.

Once dry, brush the hair coat.

### For whole body application:

Dispense 1-2 pumps in your hand and then apply on the hair and skin, massaging into the skin until it fully penetrates. Repeat as many times as necessary to cover the whole body, avoiding the eyes and mouth. Do not rinse, let air dry.

Once dry, brush the hair coat.

# Healthy skin is easy with DOUXO<sup>®</sup> S<sup>3</sup>

## How to use DOUXO<sup>®</sup> S<sup>3</sup>

**Only 1  
shampoo  
first week**

to clean the coat and skin

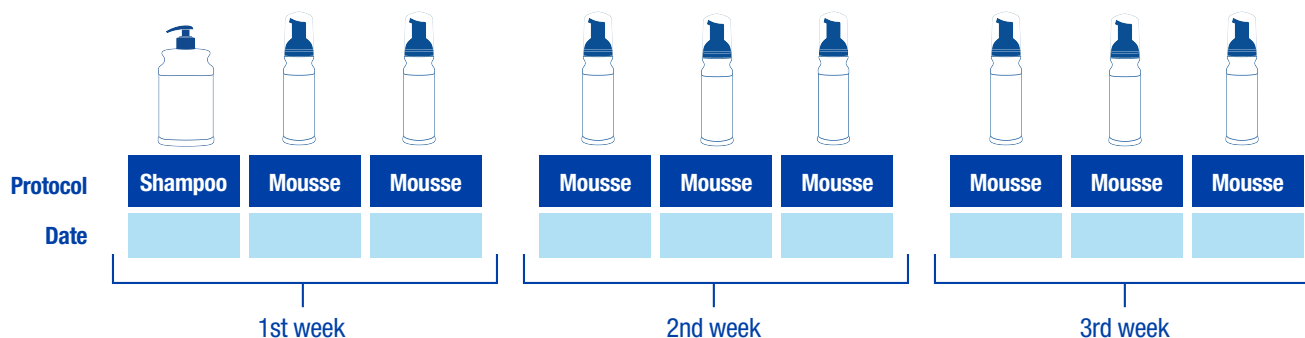

**Mousse  
3 times  
a week**

for continuous efficacy

Use chart below to track the DOUXO<sup>®</sup> S<sup>3</sup> protocol at home. Simply add the date you shampoo your dog or cat, then use mousse two times that week. The next 2 weeks use mousse on your dog and/or cat 3 times a week.

*Do not use DOUXO<sup>®</sup> S<sup>3</sup> PYO Mousse on cats.*

Scan the QR code to watch  
the DOUXO<sup>®</sup> S<sup>3</sup> routine videos.

**If your Vet recommends Douxo<sup>®</sup> S<sup>3</sup> PYO pads:**

Wipe folds/affected areas once a day for 7-14 days or as directed by your veterinarian.

Note: Use within 3 months of opening.

*Do not use DOUXO<sup>®</sup> S<sup>3</sup> PYO Pads between the toes of cats.*

Chlorhexidine can cause rare, but serious allergic reactions in humans. If you experience allergy symptoms, discontinue use immediately and seek medical treatment.
