6. C  zar, A.; Godard, G.; Zemirline, C.; Morel, J.; Maubert, N.; Gatellet, M. (2024) Determination of the in vitro compatibility between ophytrium-containing ear cleanser and commonly used medicated ear drops in canine otitis. FECAVA Congress, Athens, Greece, 12th-14th September.

Micellar Ear Cleaner

FOR DOGS & CATS

The only pet skincare brand with the power of OPHYTRIUM  

NEW FORMULA WITH OPHYTRIUM  

OPHYTRIUM   is a purified, natural ingredient that promotes healthy skin in three ways.^{1,2}

Protects
Helps support the skin's physical barrier

Soothes
Helps soothe irritated skin

Restores
Helps support microbial flora for healthy skin

NOW WITH THE POWER OF OPHYTRIUM®

The ear canal is lined with skin that requires the same barrier support and maintenance as anywhere else on the body.

OPHYTRIUM® is clinically proven to support the mechanical, immunological and microbiological barriers that help keep the skin healthy.^{1,2}

| Limits bacterial adhesion and formation of biofilm^{2,3}

The ears are frequently the site of focal infections. OPHYTRIUM® helps restore the balance of protective microbial flora.

Stressed Control

Stressed Control
+ OPHYTRIUM

**Staphylococcus
pseudintermedius**

Stressed Control

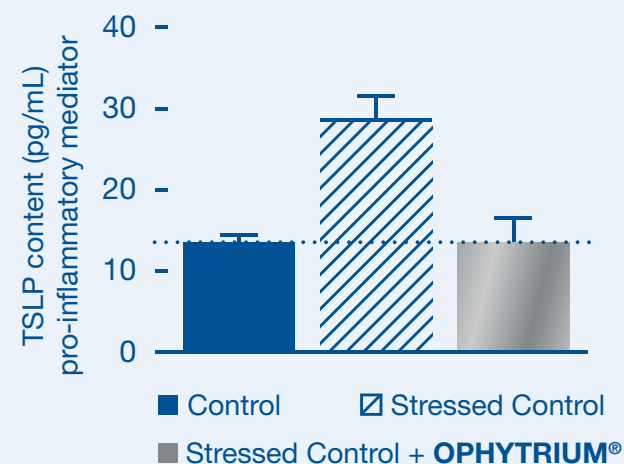

Stressed Control
+ OPHYTRIUM

**Pseudomonas
aeruginosa**

| Decreases inflammatory mediators⁴

Invitro studies show OPHYTRIUM® brings levels of inflammatory mediators back to control levels in an epithelial model.

THE ONLY FORMULATION COMBINING MICELLAR TECHNOLOGY

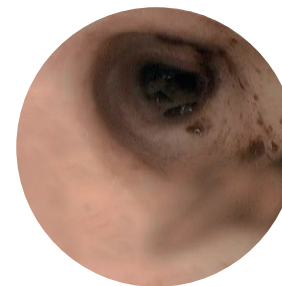

WITH THE SCIENCE OF OPHYTRIUM®

- Micellar technology helps emulsify oily, waxy debris for easy removal.
- Micelles also deliver Ophytrium to the skin of the ear canal.

REMOVES WAX GENTLY

› Before
application

› After 1
application

| Non-interference with other medications^{5,6}

Corticosteroids

Antifungals

Antibiotics

EASY TO USE

Hygienic valve
Helps prevent bottle
contamination

Flexible, transparent nozzle
Provides gentle,
comfortable application

Leak-proof transport insert
Remove before use & replace for
secure transport

Soft, squeezable bottle
Enables smooth, controlled
dispensing

Fill level indicator
Makes it easy to monitor
the remaining product

| A very pleasant formula

non-oily, non-greasy

Pleasant coco-vanilla scent
